EMBASSY RECEPTIONS

**The Honorary Chairman
His Excellency Chun Doo Hwan
President of the Republic of Korea**

대한민국 대통령

1987년 4월 21일

우리는 전례없는 과학기술의 혁신으로 인류에게 밝은 번영의 미래를 약속하는 열쇠와 전인류를 멸종으로 치닫게 할 가공의 무기를 함께 보유하고 있는 시대를 맞이하고 있습니다.

오늘날 세계는 날로 좁혀지고 있고, 상호의존적이 되어 감에 따라 분쟁의 가능성은 갈수록 커지고 있으며, 그러한 갈등과 대립을 힘과 폭력으로 해결하려는 경향은 더욱 두드러지고 있습니다.

따라서 상대되는 이해대립을 해소시켜 나갈 수 있는 제도적 장치의 필요성은 그 어느때 보다 절실하다고 하였습니다.

모든 문명국가에서 평화는 법률과 공정한 법집행절차에 의하여 유지되고 있습니다. 이러한 법의 지배는 국가내부의 영역을 초월하여, 이 지구촌의 모든 국가에 그대로 적용될 수 있는 것입니다.

국가내부뿐만 아니라, 국가 상호간에 있어서도 영원한 평화의 보증인으로서의 법은 필수불가결한 수단이 되고 있는 것입니다.

오는 9월 서울에서 열리는 제13차 세계법률가대회는 자유와 평화와 번영을 향한 모든 인류의 염원을 재확인하고, 법의 중요성을 일깨워 주는 데 그 목적이 있다고 하였습니다.

이에 본인은 대한민국 대통령으로서, 이 대회에서 세계의 저명한 법률가들이 수행할 고귀한 노력에 대한 신뢰와 존경의 징표로써, 1987년 9월 6일을 '세계 법의 날'로 선포하는 바입니다.

아울러 세계 각국 지도자들도 본인과 함께 '세계 법의 날'을 공표함으로써 힘이 아니고, 법이 지배하는 인류사회를 건설하는데 동참해주시기를 기대합니다.

PROCLAMATION OF WORLD PEACE THROUGH LAW DAY

SEPTEMBER 6, 1987

Our times have witnessed unprecedented scientific and technological progress which places in our hands both a key to enter a bright and prosperous future and a deadly weapon that may lead mankind to ultimate extinction. In this world of shrinking distance and growing interdependence, however, the potential for conflicts is ever greater and the temptation to resort to force and violence as a means of resolving disputes is ever stronger. Accordingly, the need for a mechanism to reconcile conflicting interests has never been so urgent.

Within all civilized nations, peace is maintained by laws and fair procedures to enforce them. There is no reason, then, why the rule of law cannot transcend national boundaries and regulate relations among all members of the global village. The law as a guarantor of lasting peace among as well as within nations has become more essential than ever before.

I believe the purpose of the 13th Conference on the Law of the World, to be held in Seoul this September, will be to reaffirm mankind's inherent desire for freedom, peace and prosperity and to help awaken all humanity to the importance of the law in attaining these ideals.

As a token of confidence in and respect for the lofty efforts to be made by the world's most prominent scholars and lawyers at that conference, I, President of the Republic of Korea, hereby solemnly proclaim September 6, 1987 as World Peace through Law Day.

I hope the leaders of all nations on earth will join me in issuing their own proclamation of the same day as World Peace through Law Day and will participate in the building of a community of mankind in which law, rather than force, will prevail.

Conference Standing Orders

1. GENERAL ORDERS

1. Registration

All participants are required to register before taking part in any Conference Sessions or meetings. Upon arrival, all participants are requested to register at the Registration Desk, which shall be open daily and where they will receive their Conference materials.

2. Representation

All judges and members of the legal profession have been invited to participate and may participate in the Conference proceedings in their individual capacities only and not as members of a group or government.

3. Distribution of Materials

No pamphlet, printed or written materials of a political nature shall be circulated, issued or supplied to any person attending the Conference, either directly or indirectly, by or on behalf of any government, organization, or individual.

No pamphlet, printed or written materials shall be distributed without the prior approval of the Center Executive Committee. All such material shall be presented to the Conference Program Director at least 24 hours before it is proposed to be distributed.

4. Political Matters

Debates or comments concerning themes of partisan politics, or matters outside the agenda, and comments directed towards particular governments, shall be out of order and shall be so ruled by all presiding officers at all Conference Sessions without discussion and upon the initiative of the presiding officer or any participant.

5. Official Language

The official languages of the Conference are English, French and Spanish, and simultaneous interpretation facilities will be provided, when economically practical, for all Conference Sessions.

6. Agenda

The Agenda for Conference Sessions and the Conference Schedule shall be as set forth in the Program.

7. Presiding Officer

Each Conference Session shall be conducted by the presiding officer as designated in the Program or as may be subsequently designated by the Center Executive Committee. The Conference Parliamentarian and all officers of the Conference Committees shall be as designated in the Program or as subsequently designated by the Center Executive Committee.

8. Documents

Only Conference work papers, formal addresses, resolutions, and other official documents of the Conference will be translated, reproduced and distributed during the Conference. All persons presenting formal addresses or remarks are required to provide the Conference Program Director with a text of their address or remarks written in English, French, or Spanish at least twenty-four hours before delivery.

All other documents, recommendations, reports and proposals will be translated, reproduced and distributed at the discretion of the Center Executive Committee and must be submitted to the Conference Program Director at the Conference Secretariat, typewritten in triplicate copies in English, French, or Spanish. Any document, recommendation, report, or proposal which is to be introduced shall not be received if submitted less than twenty-four hours before the particular Conference Session for which it is intended.

9. Observers and Guests

Observers and guests, not members of the Center or duly registered participants, may attend all Conference Sessions, but shall not be entitled to speak unless so authorized in writing by the Center Executive Committee.

10. Conference Resolutions

a) All Resolutions for Conference action shall be within the scope of the subject matter of a Conference Working Session or the work of a Center Section or Standing Committee and shall be submitted in writing to the Conference Program Director at least two weeks before the opening of the Conference for consideration by the Conference Resolutions Committee. Such Resolutions shall be reviewed for relevance and form by the Resolutions Committee and referred for recommendations either to the Working Session having jurisdiction over the subject matter of the Resolution, or if no Working Session has such jurisdiction, to the Center Section or Standing Committee having such jurisdiction, if the Committee shall meet during the Conference. Any Resolution not referred shall be considered by the Conference Resolutions Committee.

b) A Working Session or Center Committee may recommend a Resolution without prior reference to the Resolutions Committee:

- i) if the proposed Resolution is based on the papers prepared for the Working Session or Committee Meeting and has been presented in writing to the Conference Director of Programs at least twelve hours before the relevant Working Session or Committee Meeting; or
- ii) if the proposed Resolution arises out of the deliberations of a Working Session or of a Committee Meeting convened during the Conference.

c) All Resolutions adopted by Working Sessions and Committee Meetings for recom-

mendation shall be submitted as soon as possible after the Working Session or Committee Meeting to the Resolutions Committee for review as to form and relevance.

d) A Resolution not presented pursuant to sections (a) or (b) of this Rule shall not be received by a Working Session or Committee Meeting without specific written permission of the Resolutions Committee. A Resolution which has not been considered and approved by the Resolutions Committee, except as provided in Rule 11, shall not be presented to the Plenary Session.

e) Decisions by the Resolutions Committee not to receive a Resolution or not to submit a Resolution to the Plenary Session may be appealed by the proposer to the Center Executive Committee.

11. Conference Resolutions Committee

The Conference Resolutions Committee shall consist of nine members, including a Chairman who shall preside and who shall be appointed by the President of the Center subject to confirmation by the Center Executive Committee.

During a World Conference, the Resolutions Committee shall meet daily, at times and places which shall be published in the Conference Daily Bulletin at least 24 hours before each such meeting. The Committee may also meet at the call of the Chair. Any duly registered Conference participant may appear before the Committee, or its Subcommittee, at and for a time fixed by the Committee's Chairman, to discuss any Resolution which is before the Committee. The time to be allocated to such discussion shall be fixed by the Chairman.

The Committee shall have the power to reject any Resolution and to modify, consolidate or amend any Resolution before submission to the Plenary Session. All substantive modifications and amendments by the Committee shall be discussed with the proposer, if available. If after discussion with the Committee the proposer does not agree to the substantive modification of his Resolution, the Resolution shall be presented to the Plenary Session as modified by the Resolutions Committee; but the proposer shall have the right to present his position to the Center Executive Committee which, in its sole discretion, may allow the proposer to present his position to the Plenary Session within a time limit set by the Center Executive Committee.

12. Debate

In the event of a debate on any subject, only duly registered participants of the Conference may speak, when and if recognized by the presiding officer, and no person may speak more than five minutes or more than once on the same subject without unanimous consent.

13. Recognition

Any person wishing to be recognized from the floor shall present to the presiding officer a

written request containing his name, country, and the specific point or resolution to which he wishes to address his remarks. Persons shall be recognized in the order of names received, and no person shall speak or comment from the floor without first having presented the required information in writing and having been duly recognized by name by the presiding officer.

14. Precedence

Only one person from each country will be recognized to speak from the floor at the Conference Sessions until persons from all other countries who wish to speak have had the opportunity to do so.

15. Proceedings

All questions pertaining to the proceedings of all Conference Sessions shall be resolved by the presiding officer in accordance with the Conference Standing Orders or they may be referred to the Conference Parliamentarian for a ruling.

16. Voting

In Working Sessions and the Plenary Session each person present who is a duly registered member of the Center shall have one vote on any question before the Sessions. A majority of the duly registered members present and voting is necessary to approve or disapprove any question. Any such vote shall be deemed to be the vote only of those present and not of the Center itself.

17. Chairman of the Working Session

Each Working Session shall be conducted by the presiding officer designated in the Program as Chairman or in the Chairman's absence such person as may be subsequently designated by the Center Executive Committee.

18. Seating of Working Session Panelists

The Chairman shall sit at the center of the table and be flanked by the panelists and the rapporteur.

19. Recognition at Working Sessions

At any time after the termination of the program speakers presentations, any duly registered Conference participant attending the Working Session may indicate his desire to speak by writing on a card provided for this purpose: his name, the country from which he comes, and the specific point to which he wishes to address his remarks. This card shall be passed to the presiding officer. The Chairman shall honor these requests in the order in which they are received, except that no more than one person from any given country shall be heard until persons from all other countries who wish to speak have had the opportunity to do so.

20. Working Session Proceedings

No speaker from the floor shall exceed five minutes in delivery, and his remarks shall be

strictly relevant to the subjects of the Working Session discussion. This order shall be strictly enforced by the presiding officer whose rulings on relevance shall be final. Unless otherwise provided by the Center Executive Committee, the Conference Standing Orders shall govern the proceedings of the Working Sessions.

21. Presentation of Working Session Discussion Topics

The person who prepared the work paper shall serve as the lead-off speaker of each Working Session. He shall not read the work paper, but shall summarize orally in not more than 15 minutes the highlights of the background of the discussion topics.

22. Panelists/Speakers

Panelists and speakers shall comment upon and discuss the Working Session topics. Prepared statements by the panelists which are available for distribution shall not be read. This rule shall be strictly enforced by the Chairman; no exceptions may be allowed. Without unanimous consent or unless at the express ruling of the Chairman, no speaker or panelist may speak for more than 15 minutes.

23. Limited Discussion Time

In consultation with the Conference Program Director, or the designated Program Coordinator, the Chairman shall determine and announce at the opening of each session the total time to be allocated to each panelist or speaker for comment and discussion, as well as the total amount of time that can be made available for questions or discussion by speakers from the floor.

24. Rapporteurs

The Rapporteur shall summarize briefly in writing the substantive remarks of the Chairman, of the person presenting the highlights of the discussion topics, and of the panelists or speakers. He should summarize very briefly comments from the floor.

25. Report

The Rapporteur shall submit his written report to the Conference Program Director on the evening of the day on which the Working Session occurs, including recommendations adopted by the Working Session. He shall make a brief oral report, not exceeding five minutes, to the Plenary Session of the Conference.

26. Resolutions of the Working Sessions

The Chairman shall note any resolutions which have been submitted for consideration and may seek approval or disapproval of them during the Working Session. He may either appoint a Committee from the panelists or designate the Rapporteur to formulate the Working Session Resolutions for submission to the Conference Resolutions Committee. The Rapporteur shall include such resolutions in his written report.

II. CENTER WORLD ASSEMBLY

1. Policy-Making Body

The Center World Assembly is the principal policy-making body of the World Peace Through Law Center. The Center World Assembly shall conduct the business of the Center in accordance with the Charter and By-Laws of the Center.

2. Membership and Participation

The Center World Assembly shall consist of one member from each nation elected or appointed in accordance with the Charter and By-Laws of the Center as national chairman. If no national chairman or his duly appointed representative is registered and if there are Center members from a nation present, the President of the Center shall appoint a representative from the duly registered Center members of that nation to the World Assembly. All questions pertaining to participation in the Center World Assembly shall be resolved by the Center Executive Committee.

3. Election of Officers

The Center World Assembly shall elect by majority vote of those present the officers of the Center.

4. Presiding Officer

The President of the Center shall be the presiding officer of the World Assembly.

5. Proceedings

All comments during the Center World Assembly shall not exceed five minutes each except introductory remarks or speeches summarizing a report in which case the time limit shall be at the discretion of the presiding officer. Unless otherwise provided, all proceedings shall be in accordance with generally recognized rules of procedure.

6. Debate and Voting

In the event of a debate on any subject, only a certified member of the Center World Assembly may speak, when and if recognized by the presiding officer, and no person may speak more than once on the same subject without unanimous consent. Only certified members of the Center World Assembly may vote on any question before the Center World Assembly. No resolution or action shall be deemed a resolution of or by the Center until approved by a majority vote of the World Assembly members present and voting.

7. Recognition

No person shall speak or comment from the floor without first having been duly recognized by the presiding officer.
